**Cornerstone Hearing Center LLC opens in Kane County, Illinois**

**HUNTLEY, ILLINOIS** – A new full-service hearing aid center has opened for business in Huntley, Illinois. Cornerstone Hearing Center LLC president, Joseph Madigan H.I.S., has over 30 years of experience in the ENT and hearing aid industries.

According to Madigan, “Cornerstone Hearing Center offers: free hearing tests; adjustments and repairs of hearing aids; batteries, and free hearing aid cleaning.”

Cornerstone Hearing Center’s mission statement promises to provide clients with the proper hearing devices based on their specific needs and budget.

Clients may call to schedule a free, no obligation, hearing test.

“People experiencing a loss of hearing should not wait to take a full hearing test. Over time, the human brain adjusts to the hearing loss as if it were normal. This makes adjusting to a hearing aid difficult in some cases,” according to Madigan.

Contact Cornerstone Hearing Center LLC at (847) 457-1800, 12545 Farm Hill Drive, Suite 200, Huntley, Illinois 60142. Check out their website at [www.cornerstonehearing.com](http://www.cornerstonehearing.com).
